## Distinctive Chinese Cuisine

445 Clement Street
S. F. CA 94118
Phone: (415) 387-1789

Welcome to Taiwan, a large island off the southeast shore of mainland China has become well known, in the past three decades, as a center of Chinese philosophy, culture and culinary art.

During that period, many famous masterchefs emigrated from all of the vast provinces of China to Taiwan, carrying with them their great knowledge of Chinese cooking.
Over the years, they developed this art still further adding a modern touch to it.

Today, in Taiwan, cuisine from all over China can be found.
For example, Peking, Szechwan, Yanchow, Canton, Hunan, Shangtung, and Manchuria, just to name a few. (Refer to map)

We are proud to be the first restaurant in this country to serve Taiwan's version of China's epicurean delights, and are pleased to be able to share them with you. Our menu also includes some of the native dishes of Taiwan, for those of you who feel adventurous...

Our food is seasoned according to our Chef's taste, Please notify waiter if you are on a salt free diet!
